

## An Important Message to Our Donors

CUAHSI greatly appreciates all donations received and is committed to managing donations responsibly. While other fundraising platforms deduct 3% to 10% in fees from each donation, we use a **100% free** fundraising platform called Zeffy. Zeffy does not charge you or CUAHSI for transaction fees, so your entire donation goes directly to CUAHSI. Instead, Zeffy prompts you to add a fully optional additional donation to help cover their costs.

**Please watch for the Zeffy contribution when completing the donation form below. If you do not wish to contribute to Zeffy, choose 'Other' in the drop-down menu and then enter \$0.**

Donations over \$1,000 must be processed by ACH/PAD (bank transfer). Thank you for your understanding.
